

By: Gabe Fromme, Greyson Hall, Owen Billings, Solomon Bear, Tristan English

Test Plan:

- Need user acceptance test for 3 features
 - Login/Register
 - Only successfully login when correct user/password is submitted
 - Register:
 - Username
 - Email
 - Password
 - Password confirmation
 - Only accept form when all parts have been filled out
 - Cart
 - Can search for classes
 - Save classes to look at later
 - Navbar
 - User can successfully navigate between pages
 - Consistent between pages
 - Dark mode button works

Individual Contributions:

Gabe-Designed/Implemented navbar and dark mode across all of the pages and worked on making the css consistent between pages.

<https://github.com/cub-csci-3308-spring-2022/csci-3308-spring22-015-01/commit/fbd6927fa06b5498c268292c6b0467f1836b9208>

Greyson-developed css for darkmode theme.

<https://github.com/cub-csci-3308-spring-2022/csci-3308-spring22-015-01/blob/main/Project%20Components/darkmode.html>

Owen-Developed cart page and implemented API request from CU server for schedule.

<https://github.com/cub-csci-3308-spring-2022/csci-3308-spring22-015-01/commit/ca1baf5ab5c6b8fe42c692a81e1fdd7f5b1535a>

Solomon-Developed SQL database and setup website via heroku.

<https://github.com/cub-csci-3308-spring-2022/csci-3308-spring22-015-01/commit/fe67fc2287e1233acdb472325463ebb9a70876c2>

Tristan-Developed login/registration page, wrote server.js.
